*THIS IS THE FIRST STEP IN **COMPLETING** THE MASTER MASON DEGREE.*

Lastest Revision: June 8, 2010

This Mini Field Day is held annually on the first Saturday after Labour Day at the Passion Play Site (seating limited to 1200+/-, ample parking), in the Badlands of south-central Alberta - very much like the original quarries must have been. Only the MMM and the MEM degrees are put on (tyling at 10:30 am), with a no host lunch at site (in the adjacent Ski Hill Day Lodge) between degrees.

Although it is hosted and organized by Strathmore (degree teams) and Eheyeh (site & lunch), any Chapter is cordially invited to participate. Some candidates need to be voted on, therefore a RAM Chapter tiles at 10:00 for the purpose of voting by each Chapter on their own candidates as needed. Dispensation (along with Charter, porch book, minute book, mark register, etc.) will be required for your candidates or to vote. Attendance or participation on the degree teams is most welcome and no dispensation is required for that only. (If you would like to do a lecture please contact us as soon as possible before all stations are filled.) Following the degrees we join over at the Lodge Hall for an hour of refreshment and fellowship. This has proven to be a very enjoyable day and is growing in popularity; it has become an annual "Gathering of the Royal Arch Clans". We would hope that Chapters who have not participated before would join with us for this enjoyable day.

The Passion Play/Ski Hill Site is about 1 mile west of Drumheller on the South Dinosaur Trail.
For a map contact: www.traveldrumheller.com/images/maps/drumheller-town-map.jpg

Dress is casual. Weather can change rapidly so bring a hat, sunscreen, a heavier jacket, etc. In the event of colder weather in the afternoon we can use the Ski Hill Day Lodge, or if the day is not good from the morning we will meet at the Drumheller Lodge Hall, 2nd St. SE & 3rd Ave. SE
Many of us also meet downtown at Yavis Restaurant, 2nd St. SW & 3rd Ave. SW, around 8am, for breakfast.

THIS YEAR'S DEGREE TEAMS:

M.M.M. – Northern AB Degree Team: REC Marvyn Rogers, GSE email: mrogers@mcsnet.ca
