

2021. BADLANDS MASONIC FIELD DAY. 2021
September 10th and 11th

The members of Eheyeh 27 Chapter and the members of Strathmore 21 as well as the members of Drumheller 146 Craft Lodge would like to make the 2021 field day the most memorable masonic event to be held in a long time. In order to achieve this, it is necessary for everyone to register. How else can we successfully prepare for the event and prepare meals? Please take a few moments and fill the registration and help us achieve our goal.
